### **Public Hearing and an Additional 30 Day Extension Requested for Roulette UIC permit**

#### Talking points:

- A request for public hearing was received; the hearing is scheduled for February 2, from 6:00 – 8:00 pm.
- A 30 day extension on the public comment period was also received.

#### Background:

- A draft permit was public noticed on December 31, 2020 for Roulette.
- This disposal well is located in Clara Township and will allow for the subsurface disposal of fluids produced during oil and gas operations.
- The Seneca Nation have also requested consultation on this matter.
- We will continue to keep the state informed of the results of the petition.
